Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

### Sister Simon's Murder Case

Set in the picturesque wilds of a Midwestern resort town at the height of the tourist season, Sister Simon's Murder case begins with the murder of a terrified elderly lady, Dannie Grear. But what was she so afraid of? And who is the killer who keeps attacking anyone he thinks may know too much?

The opinionated local police ran into one obstacle after another in their attempts to find the elusive killer. But the menace was effectively removed by the independent investigation of Sister Simon, a very proper nun who had learned from her policeman father never to take anything for granted in a murder case and how to fire a gun with deadly accuracy. (Summary adapted from the original jacket by Maria Therese)
